Bridgewater State College students, faculty, staff, student organizations, college departments, academic units, and college-affiliated organizations may post signs, publicize and advertise their activities, services, and ideas to the campus community in accordance with the following guidelines.

Approval and General Guidelines:

1. The appropriate administrative official must approve any event or activity prior to its advertisement. (Contact the Office of Conference and Event Services for further information.)
2. Departments shall implement this policy in areas under their respective jurisdictions and may, at their discretion, adopt more restrictive policies for those areas.
3. The advertisement, posters, flyers, notices, signs or banner must be in good taste and appropriate for its intended purpose. The college reserves the right to remove any posting that is obscene, discriminatory, libelous, misleading or offensive in any way, or that advocates the deliberate violation of federal, state or local law or college policy.
4. Materials advertising or promoting the use of alcohol and/or illegal substances are prohibited.
5. All materials to be posted must clearly indicate the name of the sponsoring organization.
6. All materials advertising events must also include any admission requirements, restrictions and/or charges, as well as clear statement outlining how interested attendees may request special accommodations for a disability.
7. Materials may not be affixed to walls, windows or doors in any campus building.
8. Materials may not be affixed to any exterior surface including, but not limited to, buildings, railings, fences, steps, columns or pillars, works of art, sidewalks, campus signs, bus shelters, benches, trash cans, light poles, telephone poles, trees or shrubs. Limited permanent and freestanding exterior posting boards are available (Contact the Office of Conference and Event Services for additional information)
9. In very special circumstances, banners may be hung from college facilities. In these cases, the size, content, method of attachment, and duration of exhibition will be carefully reviewed. [Contact the Office of Conference and Event Services to begin the approval process for this type of posting.]
10. All materials must be removed within 24 hours following the event or the relevant deadline for the information. The sponsoring organization is responsible for removing its own posters and failure to do so may result in cleanup charges if the college facilities staff has to remove the postings.

Posting Sizes/Limits:

In order to ensure that all authorized organizations have access to the approved posting locations and to maintain the appearance of the campus, there are limitations to the size of materials that may be posted.

Campus sponsors who have received permission to serve alcoholic beverages at an event should discuss acceptable wording with the Offices of Conference and Event Services or Student Leadership and Involvement as appropriate.
